

PRODUCTION INTERNSHIP

Job Description:

KALO TV is looking for individuals interested in the field of television media. Under the supervision of the Director of Production, individuals will work closely on multiple media projects with a focus on Christ centered content.

Tracks:

There are two tracks available. The first is a 2 month program and the second is an in-depth semester program.

Qualifications:

Individuals must have a desire to increase their understanding in media production. Minimal production experience is recommended.

Syllabus:

All throughout, Depending on personal and company goals during season of internship, syllabus includes but is not limited to:

Pre production | Production | Post Production

Including:

Story writing

Storyboard development

Production planning and Execution

Camera/Lighting/Audio Operation

Acting

Video Editing

Graphic Design

Animation

Interns can expect weekly mentorship in all of the above aspects of production.

Interns will be given multiple projects to develop within, and outside of KALO TV.

Participation in weekly times of devotion and prayer is also required.
